

10" Sliding Dual Compound Miter Saw with Laser Marker

C10FSHCT

metabo **HPT**
DURABILITY FIRST

- **Simple & compact slide system** allows the saw head to slide along fixed rails for zero rear clearance
- **Positive stops and indications on the miter** with indexing override for easy to read measurements and quick transitions between miter angles
- **Upfront bevel lock** for quick and easy adjustments
- **Laser Marker System** from Metabo HPT increases cutting accuracy
