

18V Brushless Oscillating Multi-Tool

(Tool Body Only)

CV18DBLQ4

metabo **HPT**
DURABILITY FIRST

- **Variable speed dial (1-5)** to ensure constant speed while in use
- **Auto mode (A)** determines appropriate oscillating speed for work load resulting in increased battery life, noise reduction and less vibration
- **Brushless motor** for greater efficiency and longer tool life
- **Tool-less universal blade change** to reduce downtime
- **Compatible with all Metabo HPT/Hitachi 18v & Metabo HPT 36V Lithium Ion slide-type batteries** for fade free power

Volts 18
OPM
Standard (1-5)..... 6,000-20,000
Auto (A)..... 15,000-20,000
Oscillating Angle..... 1.6° (3.2°)
Weight (w/o battery) 2.9 lbs

Accessories Included

1X Bi-Metal Plunge Cut Saw Blade

LITHIUM ION
LIFETIME
TOOL WARRANTY
