

6-Gallon High Capacity Pancake Compressor

EC914S

metabo **HPT**
DURABILITY FIRST

- **MORE PRESSURE:** At 200 PSI, this compressor offers 25% greater PSI than a basic pancake compressor*
- **30% MORE AIR FLOW:** 4 CFM @ 90 PSI allows for multiple large body nailers to be used on a single compressor
- **LIGHTWEIGHT:** At only 41 lbs, it is 22% lighter compared to a traditional twin-stack compressor**
