

# 3-1/2" Plastic Strip Collated Framing Nailer

NR90AE(S1)

**metabo** **HPT**  
DURABILITY FIRST

- **Two-step nail loading** makes fastener replenishment quick and easy, reducing downtime
- **Lightweight at 7.5 lbs and well-balanced** for ease of maneuverability and less user fatigue
- **Selective actuation switch** allows for quick transitions between sequential and contact nailing
- **Tool-less depth of drive adjustment** to flush drive or countersink into varying materials
