

2" 18-Gauge Brad Nailer

NT50AE2

metabo **HPT**
DURABILITY FIRST

- **Selective actuation** allows the user to easily select between sequential and contact nailing modes with the simple flip of a switch
- **Tool-less, easy-to-clear nose** for quick and simple nail extraction should a nail jam during use
- **Depth of drive dial** allows the user to easily adjust the drive depth for a professional finish
- **360-degree adjustable exhaust port** keeps dust, debris, and oil off the finish project
