

18V Cordless Planer *(Tool Body Only)*

P18DSLQ4

metabo **HPT**
DURABILITY FIRST

- **Compatible with all Metabo HPT/Hitachi 18V & Metabo HPT 36V Lithium Ion slide type batteries** for fade free power (batteries and charger sold separately)
- **Soft grip handle** for improved comfort and less fatigue
- **Remaining battery level indicator** to notify user when runtime is getting low
- **Stand** attached on the rear side to prevent blade from accidental contact with user when not in use
