

D10VF 3/8" 9-Amp Drill, EVS, Reversible

Includes:

- Injection molded carrying case (319543)
- Chuck Key (317616)
- 3/8" Keyless Chuck (324205)

Features:

- **9-Amp motor**, forcible power combines high speed with optimal torque
- **Max torque of 139in-lbs**, excellent for high speed applications
- **Form fit palm grip**, designed to comfortably fit in hand for improved control with minimal vibration
- **Contractor-grade cast aluminum gear housing**, adds durability and efficiently dissipates heat
- **Electronic variable speed control trigger**, designed for easy two-finger operation with a lock-on feature for continuous operation
- **Oversized reversible switch and trigger lock**, conveniently located for continuous uninterrupted operation
- **3-jaw industrial chuck**, provides maximum gripping power for all types of bits and drivers
- **Belt hook**, convenient for between use and preventing the tool from unexpected falls
- **Optional side handle**, for increased operability and control
- **Preferred for plumbing/electric applications**
- Download the [D10VF Tool Card](#)
