NT1850DE 2" 18V Brushless Lithium Ion 18Ga Brad Nailer

Features:

- **Covered by Hitachi's Lifetime Lithium Ion tool warranty & 2-Year Lithium Ion battery warranty**
- **Brushless motor** for longer run time, less maintenance and increased durability
- **Powered by a Compact 3.0Ah Lithium Ion battery** that is 3/4" shorter and .6 lbs lighter than a conventional 3.0Ah battery for complete portability
- **Freedom from cumbersome air hose and compressor** saves time in setup, during applications and in jobsite clean up
- **Unique air spring drive system** (similar to Hitachi's pneumatic line) that uses compressed air to drive each nail resulting in zero ramp up time, increased shooting speed, recoil that feels like a pneumatic nailer, quicker response time between drives, better flush driving- *even at an angle* and easy maintenance due to fewer parts to manage
- **Selective actuation switch** transitions between sequential mode and bump fire mode, when rapid nailing is preferred
- **Tool-less depth of drive adjustment** for flush drives into various materials
- **Quick clear nose with tool-less jam release** for easy maintenance and reduced downtime
- **LED light** is handy when working in low light areas
- **Ergonomically formed soft grip handle** provides comfort and ensures a secure hold
- **Power button** located on control panel at base of handle must be activated to use the nailer
- **Automatic power shut off** after 30 minutes of inactivity, for added safety
- **Side-lock switch** is incorporated to prevent accidental firing
- **Low battery indicator light** allows the user to see battery power status to prevent unexpected downtime
- **Detachable no-mar nose cap** protects work surfaces from scratches or indentations
- **Pivoting belt hook** can be mounted on either side of the nailer to accommodate left or right handed users
- **Straight magazine** holds 100 18-gauge fasteners from 5/8" up to 2" in length
- **Reload indicator on magazine** for easy visual recognition of low nail quantities to avoid dry firing
- **Compatible with** all Hitachi 18V Lithium Ion slide type batteries
- **Lightweight at only 7.3lbs** for balance, maneuverability and minimal user fatigue and ideal for overhead and extended use applications
- Download the NT1850DE Tool Card

Includes:

- (1) Compact 3.0Ah Lithium Ion Battery BSL1830C (339782)
- Charger (UC18YFSL)
- Contractor Bag (371108)
- Safety Glasses (875769)
